

Community Outreach Programmes

I. Mass Awareness Programme about COVID-19

The United Nations development Program has described the COVID-19 pandemic as “the defining global health crisis of our time and the greatest challenge we have faced since World War II. Under this community outreach programme, Salwan Public School, Tronica City organised two days operation for capacity building to disseminate information about the virus, the preventive measures to be taken and to create awareness about the measures to combat the pandemic.

Team members of this project are:

1. Ms. Surbhi Monga (Incharge)
2. Ms. Sandeep Kaur
3. Ms Kanchana Pandey
4. Mr. Anuj
5. Mr. Narendra Singh

Overall supervision and Guidance- Sunita Madan (Principal)

OBJECTIVES OF THE PROGRAMME:

- Create Awareness about COVID - 19
- To improve nutritional and health status of the people
- Do's and Don'ts to be followed in the pandemic
- Advised to follow three Mantras – Maintain 6 feet distance, Wear Mask and Wash hands frequently.
- To share information about Helpline Numbers and Aarogye Setu App
- Ensure Psychological and emotional well-being of children and people
- Creating community support and capacity building to fight the pandemic
- Door-to Door distribution of masks and pamphlets by the team

DAY 1

DATE: October 26, 2020

TIME: 10:00 A.M – 1:30 P.M

Areas Covered - 1.Khanpur Japati

2. Rampark Extension- Anganwadi Primary School

Awareness Programme:

1. The Team reached **Khanpur Jupti** at 10:30 AM .Around 30 people including children ,women , men and elderly people witnessed this programme and listened patiently about COVID -19 through screen projector .An awareness fostering social cohesion by combating stigma and other issues was told by the team. Mr. Jaiveer Khari with Mr. Selak Ram (Pardhaan) , an MC Member of School participated in the awareness programme.

2. After that the team reached to **Ram park Extension – Aanganwaadi School.**

There we discussed about COVID 19 through the medium of Video cum presentation and active interaction people learnt about the pandemic and ways to prevent its spread.

Around 15 -20 people participated in this awareness programme. Mr. Rahul Sharma, Pradhan of the area was interested to know about the measures the school is undertaking at present .In response to his query, we elaborated the rules and strict guidelines which are being undertaken by the school. We advised the people to follow good hygiene rules and practise it as a daily habit. As a voluntary charitable gesture, Salwan Public School Tronica City distributed masks to the people present over there.

VILLAGE - KHANPUR JUPTI

RAMPARK EXTENSION- ANGANWADI PRIMARY SCHOOL

Day 2

DATE: October 27, 2020

TIME: 9:00 A.M – 11:30 P.M

Area Covered – Meerpur Hindu

Awareness Programme:

On second day, our team reached Meerpur Hindu Village at 9: 45 am. The objectives, guidelines and safety measures were explained by the school team to safeguard themselves from COVID -19 through the medium of Video cum presentation and delivery of speech, Local influencers such as Gram Pradhan and other leaders were also present to garner their assistance in mitigating the pandemic. As voluntary charitable gesture, Salwan Public School Tronica City distributed masks and pamphlets to the people present over there.

VILLAGE - MEERPUR HINDU

LEARNING OUTCOME:

Efforts have been made to document the best practices in the areas of Anganwadi and other levels in general and community participation and monitoring of the awareness and aid regarding the pandemic in particular by the school team. It was a success in both the areas. People were aware about the objectives and information explained by the school.

II. Poshan Pakhwada

A Nutrition Programme For Rural Women

With an aim to generate mass awareness amongst the women and girls on protection and prevention from Anemia the school celebrated poshan pakhwada on 22nd March 2019 at Chirori village Ghaziabad in response to the guidelines instructed by district School inspector Ghaziabad.

III. Health & Hygiene Awareness Programme on necessary of use of Sanitary Napkins

A workshop on Health & Hygiene and use of sanitary napkins was organized at DIOS office Ghaziabad. After attending the workshop two teachers of our school visited a village Behta Hazipur, Loni, Ghaziabad to create awareness on Health & Hygiene in Girls & necessity of use of Sanitary Napkin.

IV. Featured Nationally for contributing Best Environmental Practices

Fifty students along with eight teachers of the school participated in 'Ghaziabad Rahgiri - Ek Satyagrah' a flagship programme of District Administration of Ghaziabad.

V. Salwanians Inspecting the Food Adulterants

Students are visiting the nearby villages in the vicinity to check hygienic condition of processing, storing, transportation and marketing of foodstuff. The masses were made aware about the common adulterants and their effect on health.

Samples are collected from 20 units and tested in the laboratory. Out of them, food samples from twelve were found to be substandard in quality.

Through their concerted efforts, an alarm was raised about adulterants that are toxic to humans and must be banned from the food chain.
