

# ***Parental Involvement***

*Parental involvement has always been an essential component of every teacher-student-school academic endeavour. Parents, are considered as one of the stakeholders of the school community, they play tremendous roles in the child's educational and environmental transformation; thus, the intensity or extent of participation that parents have in the child's education and school, more often, is fulfilled.*

## ***1. Parent Interface Programme***

*This programme is conducted twice a year. Few parents are invited to conduct classroom sessions with the students to gain an insight into school's strong ethos & enable the students learn through life experiences of different professionals such as doctors, engineers, Technocrats.*

## ***2. Participation of parents in school events as guests or performers***

*Parents are invited to attend special events of the school such as Earth Day, Mother's day & all the days of National & Cultural significance. Parents participate in the environment rally, environment march that comes under "Save the Planet" mission and also compete with each other in Master Chef Competition.*

## ***3. Parent Teacher Association***

*PTA body plays an active role in the decision making. A parent representative is elected democratically through election where interested parents fill their candidature based on the eligibility criteria set by Salwan Education Trust. Members of the PTA Body attend a meeting with the heads, teacher representative, and Student Council Member of the school.*

## ***4. Parents as Members of the Committees***

*Parents are involved in the school committees like Child Abuse committee, Sexual Harassment Committee, Safety Committee. They are proactively engaged in taking timely actions and in taking decisions.*

## ***5. Safety Walk by Parents***

*Parents of the PTA body take a safety check round of the school. They visit every single area & check for the hygiene, cleanliness and safety measures taken by the school.*

***Parents participated in the Rally to create awareness among the masses to Stop Using Plastic to protect earth.***

**Mothers carving out the Cullinary Skills of their children on Mother's Day**
